

January 2021

Dear Parents and Guardians of Class of 2022 students,

All students entering 12th grade in the State of Illinois are required to show proof of having received **one dose of Meningococcal conjugate vaccine given on or after their 16th birthday.** If your child received a dose of the vaccine *before* the 16th birthday, a second dose is required.

The following action is needed from you at this time:

Verification of the following:

- **A dose of Meningococcal vaccine administered on or after your child’s 16th birthday.**

Proof of having received the Meningococcal vaccine is required and should be submitted to the School Nurse as soon as the vaccine is given. We ask that completed forms be turned in by April 1, 2021.

Your healthcare provider should complete the form at the bottom of this letter to verify that this vaccination required is completed or provide his/her own documentation. Documentation should be submitted in **ONE** of the following ways.

- Online submission to Laserfiche <https://lf.d230.org/Forms/Medical>

**It is important to note that your child will not receive a schedule, obtain a parking pass or participate in athletics in the 2021-2022 school year until documentation of having the vaccine is received in the Nurse’s Office.

If you have any questions, please contact the Nurse’s Office at 708-342-5858.

Sincerely,

Robert Nolting, Ed.D.
Principal

Teri Shiley, M.Ed, RN, PEL-CSN
School Nurse
