Dear Future T-Bolt Parent/Guardian:

It is my pleasure to be the first to welcome you to Victor J. Andrew High School. We are very excited to have the Class of 2025 start with us next fall as we kick off our 2021-2022 school year.

There is much for you and your student to learn about Andrew High School. We will need to work together to make sure that your son or daughter has as smooth a transition into high school as possible.

The first step in that transition is to join us for the 8<sup>th</sup> Grade Open House, "Explore Andrew" to be held at Andrew on **November 10 or November 12**. Please see the enclosed flyer for directions on how to RSVP for this event. Because of safety precautions, this event will not be as expansive as in the past, we still believe that it will offer lots of great information and an opportunity to tour the campus.

I know it seems early to think about next year. But, soon enough, your son or daughter will be a freshman in high school.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert J. Nolting".
