

T-Bolt ATHLETE OF THE WEEK

Week of November 9th

THIS WEEK'S RECIPIENT: LUKE SNEDDEN – CROSS COUNTRY

REPORT FROM HEAD COACH

Luke Snedden wrapped up a tremendous cross-country career at our Sectional Meet on October 31st. He has been a constant presence on our varsity team for the past three seasons and got his position there based on his talent and hard work. Over the course of his time in our program, Luke has evolved as a leader, mentor, role-model, and inspiration for his teammates of all ages. Luke was our top runner in every race this season and earned himself All-Conference and IHSA Regional Medalist honors. His path to success starting as an average freshman to becoming an elite level senior is an example that we can share with athletes in seasons to come to help them push themselves throughout their time in our program. We are proud of all that Luke has accomplished!!!
