

T-Bolt ATHLETE OF THE WEEK

Week of September 20th

THIS WEEK'S RECIPIENT: OWEN SMYTH – BOYS GOLF

REPORT FROM HEAD COACH

Owen Smyth has been a 4-year Varsity golfer and has been the driving force behind our success this year. This season he has been in the starting line-up for every single one of our events, but more importantly his score has counted for the team in every single one of them (all 14). Also, in our 10 matches this season he has been the medalist (lowest scoring golfer) in 4 of them. Lastly, this past week at the SWSC Red Division Tournament he finished in 4th place making the all-conference team. While his hard work is definitely showing through in his game, what is most impressive about quiet, shy little Owen Smyth is his leadership. He comes to practice every day focused and hungry to improve. In events he is a fierce competitor and is willing to take on anyone. While Owen may not say much, he leads by example. He has shown all the underclassmen what you need to do to be a really good high school golfer and now these underclassmen have begun putting in the extra work and are starting to see the benefits. Owen Smyth has been a pillar to the future success of the boys' golf program.

ALSO NOMINATED THIS WEEK:

Alyssa Bartlett – Girls Cross Country

Amber Gahse – Girls Volleyball

Ben Morrey – Boys Cross Country
