

Tim joined the Andrew High School administrative team in the 2002-2003 school year as the Associate Principal. At the start of the 2004-2005 school year, he became the Division Chair for Business and Mathematics. Tim held that role until the 2020-2021 school year when he became the Assistant Principal. Prior to his time at Andrew, Tim was the Dean of Students at Lemont High School. At Lemont, he was also involved with co-curriculars by coaching or sponsoring the community service club, cross country, and football. Tim taught mathematics at Evergreen Park High School where he was also the girls' bowling coach. He holds degrees from Northern Illinois University and Governors' State University. Tim believes it is the responsibility of the modern high school to provide opportunities for all students so they are adequately prepared to pursue their post secondary goals.
