SERVICE LEARNING (Community Service)

Room C203 -- Across from I Mac Lab

Hours 7:30 – 1:30 - Late Wednesday 9:00am – 1:15pm

If you are coming to the Service Learning office prior to your Study Hall, you are to be in the office when the bell rings, or you will be considered tardy. Give yourself enough time to come into the office. Do not show up at the end of period, because, I will not give you a pass back to class.

25 hours For Graduation, Parking & NHS

Graduation - You will **NOT** receive a transcript or diploma until hours are turned in & verified

Parking - Hours must be **completed & turned in by the last week of your junior year**

NHS – One of the components to being invited into NHS is to **complete 24 hours & turn in hours by the last week of your sophomore year**

Seniors - Hours are to be turned in by the middle of December of their senior year - before finals

Process

Get Site / Service Project **approved prior to volunteering**

Sign up for special projects in Service Learning Office

Pick up paperwork in Service Learning office (Room C205)

Contact Site (if not advertised in office) & bring paperwork with you to Site/Project

Return completed Service Agreement (front & back) to Service Learning office

Hours will be verified, then posted to your Skyward Education Milestone Screen

IF YOU SIGN UP, YOU NEED TO SHOW UP

Check with parents to verify that you will be available & have transportation to site. If you have signed up for a special project & are unable to attend, you must notify the Service Learning office. If there is an emergency on the day of the event you need to contact the site person.

Projects / Sites

Parks, Recreation Departments, Faith Based Organization (**not part of worship service**), Athletic organizations, Police & Fire Departments, Libraries, Elementary Schools, Animal Welfare, Environmental. Hospitals & Nursing / Assisted Living must go thru Volunteer Services only. .

Example: Vet – NO vs Animal Welfare -YES; Doctors' Offices – NO vs Hospital - YES; Church Daycare - YES vs Private Sandbox/KinderCare - NO etc. Family business not doing well - DOES NOT COUNT. Hospitals & Nursing Homes - you must go thru volunteer service coordinators (Activities Directors) ONLY.

Check Hours on Skyward - End of each Semester

Paperwork does not magically turn itself in. If the site tells you that they are turning in the paperwork, give it a week, then check with me.

SERVICE LEARNING IS YOUR RESPONSIBILITY NOT YOUR PARENTS
Projects will be posted, weekly in the Service Learning office and on the board outside office.

Mrs. Kermer
Service Learning, Secretary

Communication from the Guidance Office

Canvas: College & Career Resource Center

Twitter: @CS_GUIDANCE

Instagram: @CS_GUIDANCE

You Tube: Sandburg Guidance

Remind: Text @296cgf to the number 81010

Opportunities Available

Career Related Field Trips- Talk to your counselor about various career field trips offered throughout the year. These hands on experiences are related to the medical profession, education, business, fire science and much more.

Sandburg Career Day- Various speakers will talk about different career choices and the education needed for that particular field. This opportunity will allow you to ask questions and hear about on the job expectations and duties related to competitive employment.

College Field Trips- As a Junior you have the opportunity to attend a college visit field trip. Listen to announcements as details will outline the various colleges the Guidance Department will be visiting this year!

Complete a COLLEGE or CAREER Search

Go to www.careercruising.com

Enter your username and password

Username: d230-yourstudentID#

Password: Your Birthday (MMDDYYYY)

College Search:

- Click the **education** tab at the top of the screen
- Click on **school selector** which is located underneath the Education tab
- Click on **undergraduate**
- Complete the School Selector Assessment by answering the questions based on your interests
- A list of schools that match your interests will be provided
- Click on each school to learn more about it by browsing through the tabs on the left side
- Don't forget to look at the Admission Requirements to see if you have the necessary classes, test scores etc.
- Save the results to your portfolio.

Career Search:

- Click the **careers** tab at the top of the screen
- Click on **career selector** which is located underneath the Education tab
- Complete the Career Selector Assessment by answering the questions based on your interests
- A list of careers that match your interests will be provided
- Click on each career to learn more about it by browsing through the tabs on the left side
- Save the results to your portfolio.

College Visits

1) VISITS AT SANDBURG

Check out the Guidance Website to see the list of Colleges that will be here! Sign up at least one day in advance to speak with a College Rep without having to travel to the campus.

How to sign up for College Rep Visits:

1. Make sure you are logged into your school google account
2. Go to guidance homepage on Sandburg website
3. Scroll down and click "college representative visit calendar" on the right side
4. Click on the college visits you want to attend and then click "more details"
5. Click on the attachment "sign up for college visits!"
6. Complete form and submit

2) VISITS ON THE COLLEGE CAMPUS

Students get two college visits their Junior Year and two their Senior Year. These days are above and beyond the allotted 5 excused days. These days DO count against perfect attendance so if you are working towards having perfect attendance all four years, it is advised that you visit on a weekend. A form needs to be picked up in the Sandburg attendance office (there is a copy attached) prior to the visit. The form needs to be signed by a representative from the college and returned to Sandburg on the next day of attendance.

How to sign up for a College Visit:

- Go on the college's website and sign up for a visit
- OR
- Call the admission office and schedule a visit

Comparative Freshman Course Requirements

	Total	English	Social Studies	Mathematics	Laboratory Sciences	Electives/Other
Chicago State University	15	4 ¹	3 ⁷	3 ⁸	3 ¹²	2 foreign language, music, vocational education, or art +
Eastern Illinois University	15	4 ¹	3 ⁴	3 ⁸	3	2 years of academic or vocational electives
Governors State University	15	4 ¹	2	3 ¹⁰	2	2 years of one foreign language or fine arts, and 2 years of electives
Illinois State University	15	4	2	3 ¹⁰	2	2 years of one foreign language or fine arts, and 2 years of electives.
Northeastern Illinois University	15	4 ¹	3 ⁴	3 ⁸	3	2 years of foreign language (FL), or 2 years of fine arts (FA) or a combination of 1 year FA/FL and 1 year of vocational education.
Northern Illinois University	15	4 ²	3 ⁵	3 ⁸	3 ¹³	2 units (one must be foreign language, art, or music). Up to three units of the required fifteen units may be distributed throughout any of the five categories of course work. Vocational education may satisfy up to three of the units.
Southern Illinois University, Carbondale	15 or 16	4 ¹	3 ⁷	3 or 4 ¹⁰	3 ¹²	2 years of electives in foreign language, art, fine arts, music or vocational education; if a foreign language is taken, it must include two semesters of the same language.
Southern Illinois University, Edwardsville	15	4 ¹	3 ⁴	3 ¹⁰	3	2 years chosen from foreign language, music, the visual arts, theatre, dance and/or vocational education.
University of Illinois at Chicago	16	4	3	3	3	2 years of foreign language (recommended); 1 year of electives.
University of Illinois at Springfield	15	4 ²	3 ⁵	3 ¹⁰	3 ¹²	2 years of one foreign language or 2 years of fine arts, selected from art, music, dance and theatre are required.
University of Illinois at Urbana-Champaign	15/15.5	4 ³	2 ⁷	3 or 3.5 ¹¹	2 ¹²	2 years of one foreign language are required; and 2 years (flexible academic units) from any of the five subject categories. Approved art, music, or vocational education courses may be counted in the flexible academic units category.
Western Illinois University	15	4 ¹	3 ⁴	3 ⁸	3	2 years of foreign language, music, vocational education, art, theatre, film, religion, philosophy, speech or journalism+

NOTES:

+ Suggested electives - includes other academic courses.

1) Emphasizing written and oral communication and literature

2) Three units of English must be courses emphasizing written and oral communication and literature.

3) Studies in language, composition, and literature requiring practice in expository writing in all such work. Coursework should emphasize reading, writing, speaking, and listening.

4) Emphasize history and government.

5) One unit must be U.S. history or a combination of U.S. history and government.

6) At least 2 years of history and/or government, other acceptable subjects are anthropology, economics, geography, psychology, and sociology.

7) History and government are preferred. Additional acceptable social studies include anthropology, economics, geography, philosophy, political science, psychology, and sociology.

8) Introductory through advanced algebra, geometry, trigonometry, or fundamentals of computer programming.

9) College preparatory mathematics, including one year of geometry and one year of advanced algebra and/or trigonometry.

10) Algebra I & II, and a proof-based geometry course. A fourth unit is highly recommended: trigonometry and pre-calculus, or statistics, depending on the student's area of interest.

11) Algebra, geometry, advanced algebra, trigonometry. Typically, such courses as career/occupational mathematics, consumer mathematics, applied business mathematics, pre-algebra, and computer courses are not acceptable. 3.5 years of mathematics including trigonometry are required in the following curricula: Agricultural, Consumer and Environmental Sciences - agricultural engineering; Business - all curricula; Engineering - all curricula; Fine and Applied Arts - architectural studies; Liberal Arts and Sciences-specialized curricula in biochemistry, chemical engineering, chemistry, geology, and physics.

12) Laboratory courses in biology, chemistry, or physics are preferred. Laboratory courses in astronomy and geology are also acceptable. General science will not be acceptable.

13) Two units must be courses in the physical or biological sciences. One unit must be a laboratory science.

Foreign Language Requirements for Admission and Graduation

	Foreign Language Requirement for Admission	Foreign Language Requirement for Graduation
Chicago State University	Not required	All programs – 6 hours of college language (can be met by assessment/proficiency test or college level courses only)
Eastern Illinois University	Not required, 2 years recommended	2 semesters of college language (can be met by 2 years of single foreign language in high school with "C" or better average)
Governors State University	2 years of one foreign language or 2 years of fine arts	Not required
Illinois State University	2 years of one foreign language or 2 years of fine arts	College of Arts and Sciences - 2 semesters of college language (can be met by successful completion of 3 years of same foreign language in high school). American Sign Language may be used to fulfill this requirement by transfer credit or by proficiency. Bachelor of Arts – 3 semesters of college language (may be met by proficiency test or college level courses only)
Northeastern Illinois University	Not required	Not required
Northern Illinois University	Humanities: 2 years of foreign language or combination of language, art, music, theatre	Bachelor of Arts - 2 years of one foreign language at the college level (can be met by 4 years of one foreign language in high school with "C" or greater in each course)
Southern Illinois University, Carbondale	Not required, used toward fulfillment of 2 year elective requirement. Must include two semesters of the same language.	College of Liberal Arts - one year (2 courses) of college language (met by college coursework or exam only) some degrees in College of Liberal Arts are exempt
Southern Illinois University, Edwardsville	Not required – 2 years recommended	Bachelor of Arts – college language required (met by college level coursework only)
University of Illinois at Chicago	Not required – 2 years recommended	College of Business Administration: 2 semesters at collegiate level, can be waived with 2 years at the high school level or if students native language is not English All programs in the College of Liberal Arts and Sciences, Urban Planning and Public Affairs, as well as the Public Health, and Art History: 4 semesters at the collegiate level Honors students must have 2 years of one language
University of Illinois at Springfield	2 years of one foreign language OR 2 years of fine arts	Honors students must have 2 years of one language
University of Illinois at Urbana-Champaign	2 years of one language required. 4 years recommended	Colleges of Business and Liberal Arts and Sciences: up to the 4th collegiate level of foreign language (can be met by 4 years of one high school foreign language) All other colleges - up to the 3rd collegiate level (can be met by 3 years of one high school foreign language)
Western Illinois University	Not required	Selected majors - bi-cultural, bi-lingual education, foreign language, and biology (can be met by 2 years of high school foreign language)

Comparative Undergraduate Admission Information

Admission as a Freshman

The standardized test score, GPA and class rank middle 50% ranges of the entering freshman class of 2017 show that admission standards vary across the twelve universities. Note that since a holistic approach** is used in the admission review process, having standardized test scores, GPA, and class rank within the entering freshman profile does not guarantee admission.

	ACT middle 50%	SAT middle 50% (M+CR only)	GPA	HSPR		ACT middle 50%	SAT middle 50% (M+CR only)	GPA	HSPR
CSU	19	*	3.1	71.5	SIUC	19-25	*	2.62-3.60	38-80%
EIU	18-24	*	2.69-3.43	*	SIUE	20-26	1020-1260	*	47-85%
GSU	19	*	2.88	*	UIC	21-27	1090-1300	3.1-3.7	73-92%
ISU	21-26	1060-1270	3.08-3.80	*	UIS	19-25	980-1230	2.91-3.80	49-85%
NEIU**	16-36	860-1600	**	N/A	UIUC	27-33	1360-1480	3.37-3.89 UW	No longer calculated
NIU	19-25	*	2.86-3.71	46-80%	WIU	18-23	940-1130	2.54-3.35	Top 40%

Middle 50% for ACT Composite Scores, GPA and Class Rank for Entering Freshman Class of 2017

*No middle 50% is collected.

** School uses an admissions formula to determine eligibility for admission. See school for details.

ONE OPPORTUNITY. LIMITLESS POSSIBILITIES.

If you want to play sports at an NCAA Division I or II school, start by registering for a Certification Account with the NCAA Eligibility Center at eligibilitycenter.org. If you want to play Division III sports or you aren't sure where you want to compete, start by creating a Profile Page at eligibilitycenter.org.

ACADEMIC REQUIREMENTS

To play sports at a Division I or II school, you must graduate from high school, complete 16 NCAA-approved core courses, earn a minimum GPA and earn an ACT or SAT score that matches your core-course GPA.

CORE COURSES

Visit eligibilitycenter.org/courselist for a full list of your high school's approved core courses. Complete 16 core courses in the following areas:

DIVISION I

Complete 10 NCAA core courses, including seven in English, math or natural/physical science, before your seventh semester.

ENGLISH	MATH (Algebra I or higher)	NATURAL/ PHYSICAL SCIENCE (Including one year of lab, if offered)	ADDITIONAL (English, math or natural/physical science)	SOCIAL SCIENCE	ADDITIONAL COURSES (Any area listed to the left, foreign language or comparative religion/philosophy)
4 years	3 years	2 years	1 year	2 years	4 years

DIVISION II

ENGLISH	MATH (Algebra I or higher)	NATURAL/ PHYSICAL SCIENCE (Including one year of lab, if offered)	ADDITIONAL (English, math or natural/physical science)	SOCIAL SCIENCE	ADDITIONAL COURSES (Any area listed to the left, foreign language or comparative religion/philosophy)
3 years	2 years	2 years	3 years	2 years	4 years

GRADE-POINT AVERAGE

The NCAA Eligibility Center calculates your grade-point average (GPA) based on the grades you earn in NCAA-approved core courses.

- DI requires a minimum 2.3 GPA.
- DII requires a minimum 2.2 GPA.

SLIDING SCALE

Divisions I and II use sliding scales to match test scores and GPAs to determine eligibility. The sliding scale balances your test score with your GPA. If you have a low test score, you need a higher GPA to be eligible. Find more information about sliding scales at ncaa.org/student-athletes/future/test-scores.

TEST SCORES

Take the ACT or SAT as many times as you want before you enroll full time in college, but remember to list the NCAA Eligibility Center (code 9999) as a score recipient whenever you register to take a test. If you take a test more than once, send us all your scores and we will use the best scores from each test section to create your sum score. We accept official scores only from the ACT or SAT, and won't use scores shown on your high school transcript.

POSSIBILITIES TO INVESTIGATE JUNIOR YEAR ...

EMPLOYMENT:

- Use community service experience to explore employment possibility
- Check want-ads
- Obtain a part-time job that might develop into a full time job
- Contact potential references
- Develop a resume and have someone review it
- Decide which places you would like to work and send letters of application
- Practice job interview questions
- Send thank-you notes after any interviews

SELECTIVE SERVICE: Almost all male U.S. citizens, and male aliens living in the U.S., who are 18 through 25, are required to register with Selective Service. It's important to know that even though he is registered, a man will not automatically be inducted into the military. In a crisis requiring a draft, men would be called in sequence determined by random lottery number and year of birth. Then, they would be examined for mental, physical and moral fitness by the military before being deferred or exempted from military service or inducted into the Armed Forces.

POSSIBILITIES TO INVESTIGATE JUNIOR YEAR ...

APPRENTICESHIP:

What is an apprentice? An apprentice is an individual who learns a craft through classroom instruction and on the job training. Classes are taught by men and women who are skilled in that trade, while on-the-job training is overseen by construction employers. Unlike other training programs, most apprentices are paid while developing their skills. As your skill level increase, so will your pay level.

Why choose construction or the trades? The construction industry offers a wide variety of exciting options to men and women. A career in the construction trades will provide excellent wages and benefits, job security, opportunity for advancement and the chance to create something that will last for years to come.

Contact either of the Apprentice Information Centers for information regarding training programs, job descriptions and entrance qualifications.
